

COMMONWEALTH OF KENTUCKY
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE NOTICE OF PURCHASED GAS)	
ADJUSTMENT FILING OF WESTERN LEWIS-)	CASE NO. 9642-JJ
RECTORVILLE WATER AND GAS DISTRICT)	

O R D E R

On February 4, 1987, the Commission issued its Order in Case No. 9642 approving certain adjustments in rates and providing under certain conditions for the further adjustment of such rates when the wholesale cost of gas is increased or decreased or a refund is received.

On January 18, 1991, Western Lewis-Rectorville Water and Gas District ("Western Lewis") notified the Commission that its wholesale cost of gas was decreased by its supplier, Columbia Gas Transmission Corporation ("Transmission"), effective December 1, 1990, and submitted with its notice certain information in compliance with its purchased gas adjustment clause ("PGA") on file with this Commission.

After reviewing the record in this case and being otherwise sufficiently advised, the Commission finds that:

(1) Western Lewis's notice of January 18, 1991 set out certain revisions in rates which Western Lewis proposed to place into effect, said rates being designed to pass on a wholesale decrease in price from its supplier in the amount of \$81 or 0.13 cents per Mcf.

(2) Transmission applied with the Federal Energy Regulatory Commission for decreased rates with an effective date of December 1, 1990. These rates are subject to refund; hence, Western Lewis's rates should be subject to refund. The effective date for Western Lewis's rates should be on and after January 3, 1991. Due to regulatory notice requirements, Western Lewis had not been allowed to place the preceding December 1 rates into effect until January 3, 1991 in Case No. 9642-HH.¹

(3) Western Lewis should file with this Commission the amount of any overcollections received from January 3, 1991 to the date the approved rates are implemented, along with a refund plan.

(4) The adjustment in Western Lewis's rates under the PGA provisions approved by the Commission in its Order in Case No. 9642 dated February 4, 1987 is fair, just, and reasonable, in the public interest, and should be effective with gas supplied on and after January 3, 1991, subject to refund.

IT IS THEREFORE ORDERED that:

(1) The rates in the Appendix, attached hereto and incorporated herein, are fair, just, and reasonable and are approved effective with gas supplied on and after January 3, 1991, subject to refund.

¹ Case No. 9642-HH, The Notice of Purchased Gas Adjustment Filing of Western Lewis-Rectorville Water and Gas District, Order dated January 3, 1991.

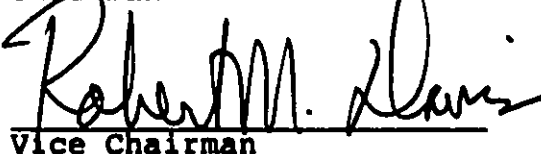

(2) Within 30 days of the date of this Order, Western Lewis shall file with this Commission its revised tariffs setting out the rates authorized herein.

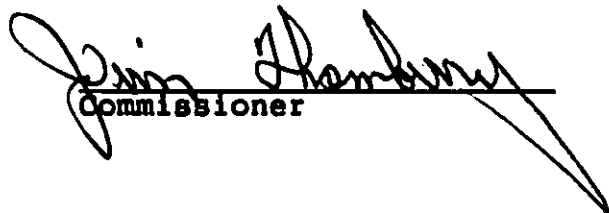

(3) Within 30 days of the date of this Order, Western Lewis shall file the amount of excess revenues collected, along with a refund plan.
